Dear Colleague

We are writing to sincerely thank you for the wonderful donation of £500 from Essential Nursing & Care Ltd, your support of Amelia's Rainbow is so greatly appreciated.

Our charity supports children in Dorset and the surrounding area who have terminal, life limiting and serious, chronic illnesses, to enable them have fun and create cherished memories with their families. With your support, we have been able to directly help more than 40 children over the past year. In addition, the Charity has a Holiday Home at New Milton, which is offered free of charge, giving families a much-needed break away from home and is in great demand and our Beach Hut is available for families to use in Bournemouth. Our Christmas Appeal resulted in donations of many gifts which were delivered to 137 children all over Dorset and to Poole Hospital on Christmas Day and Dorchester Hospital on Boxing Day.

All our income is from fundraising, sponsorship and donations so without the wonderful support we have received all this would not have been possible.

We are aiming for another successful year to enable us to reach even more children and families and we also hope to purchase another holiday home as our current one is oversubscribed, making your support invaluable to us.

Kindest regards

Maureen Cox
Treasurer
